

Work responsibilities and working from home at the beginning of COVID-19 crisis

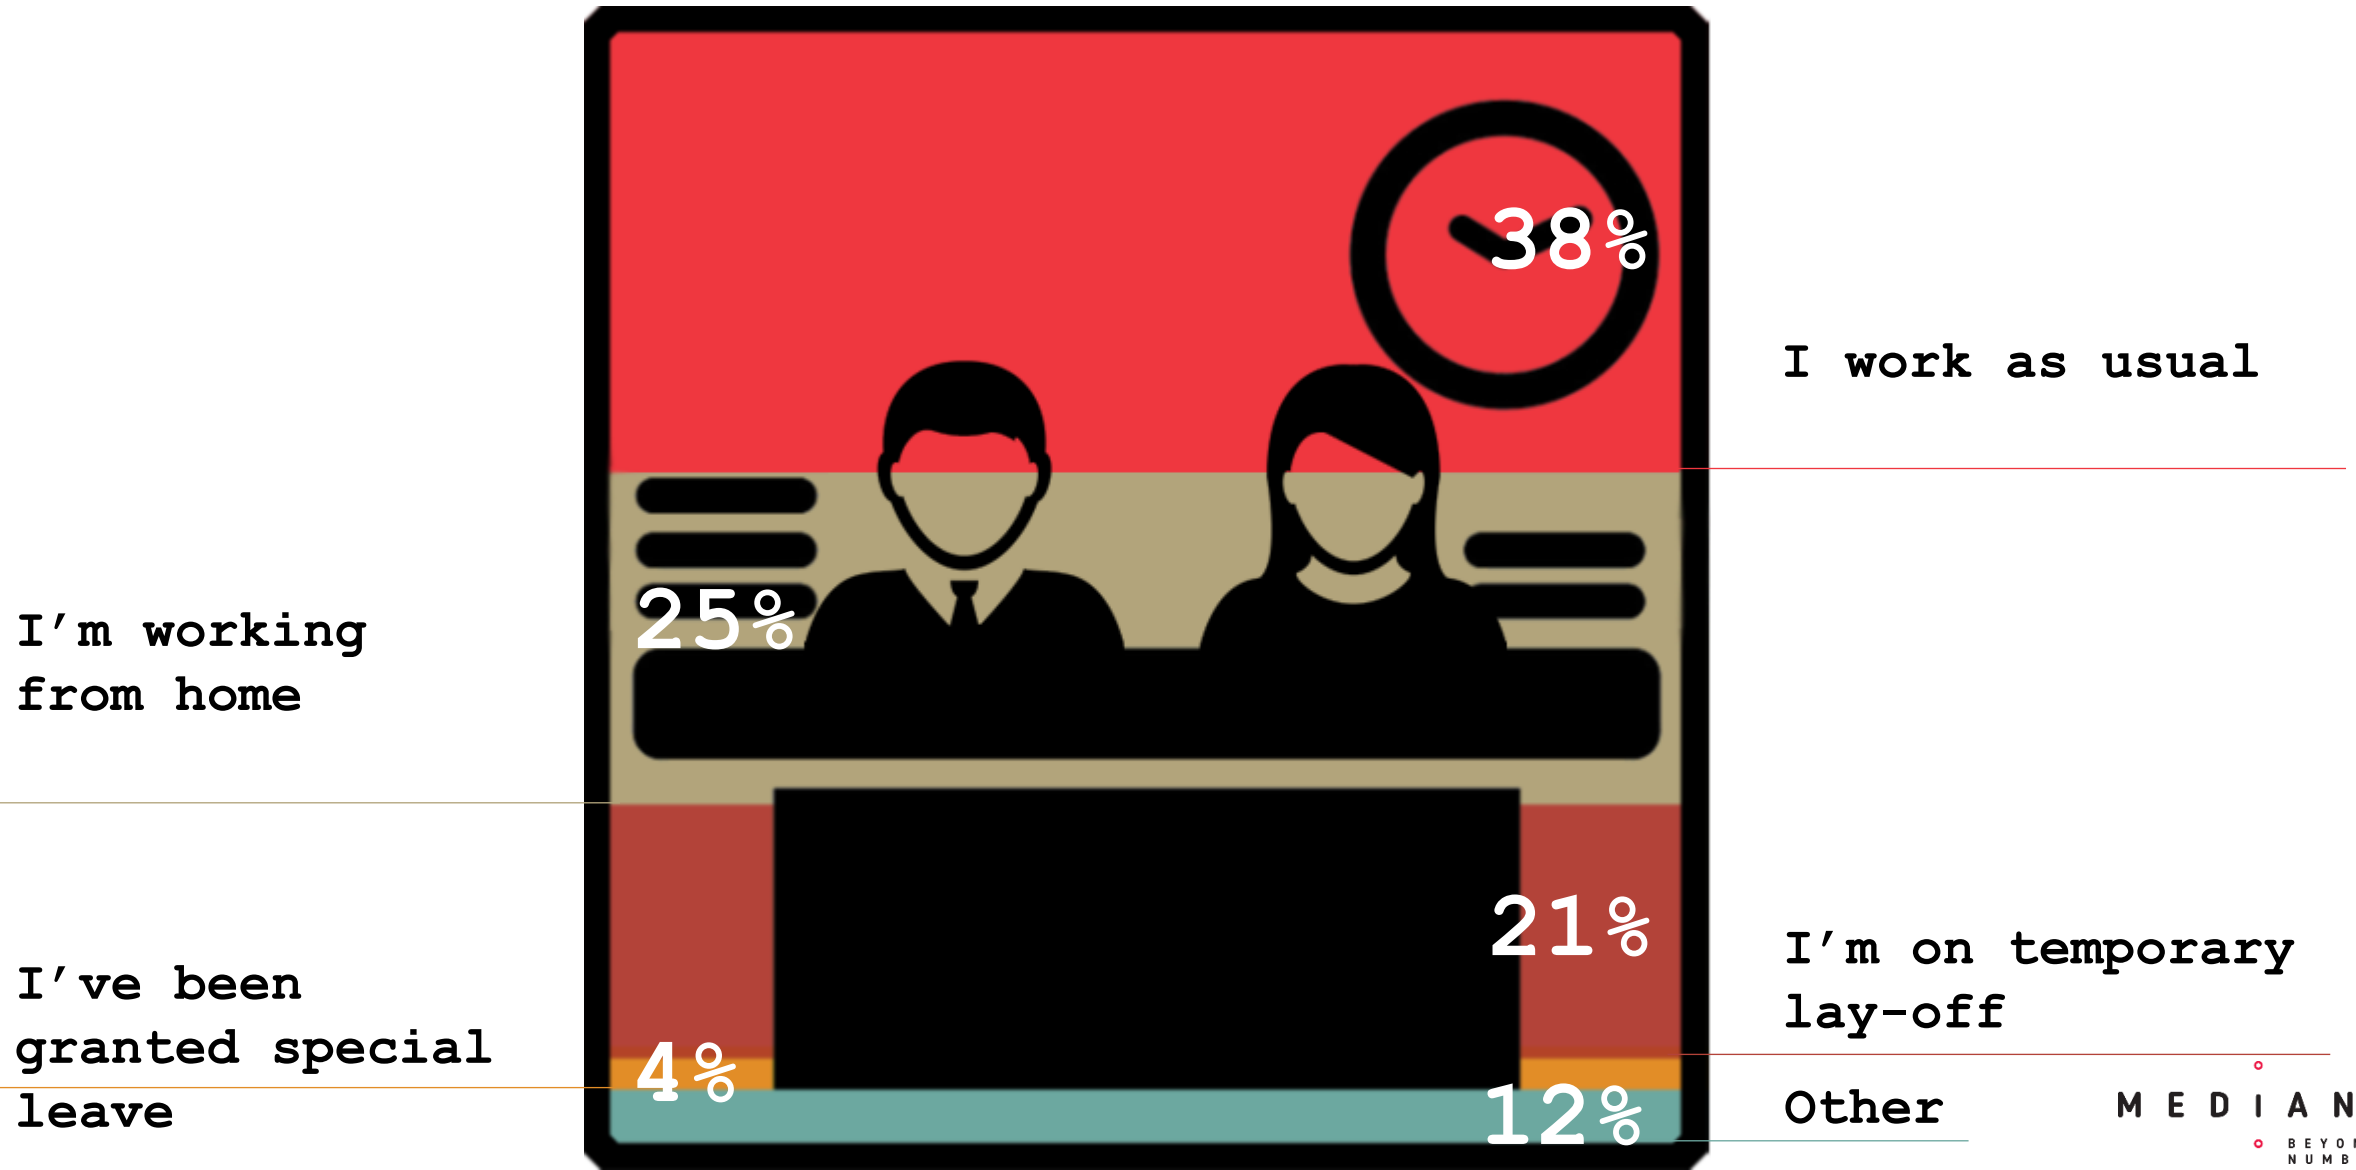

Research findings

Slovenia, March 2020

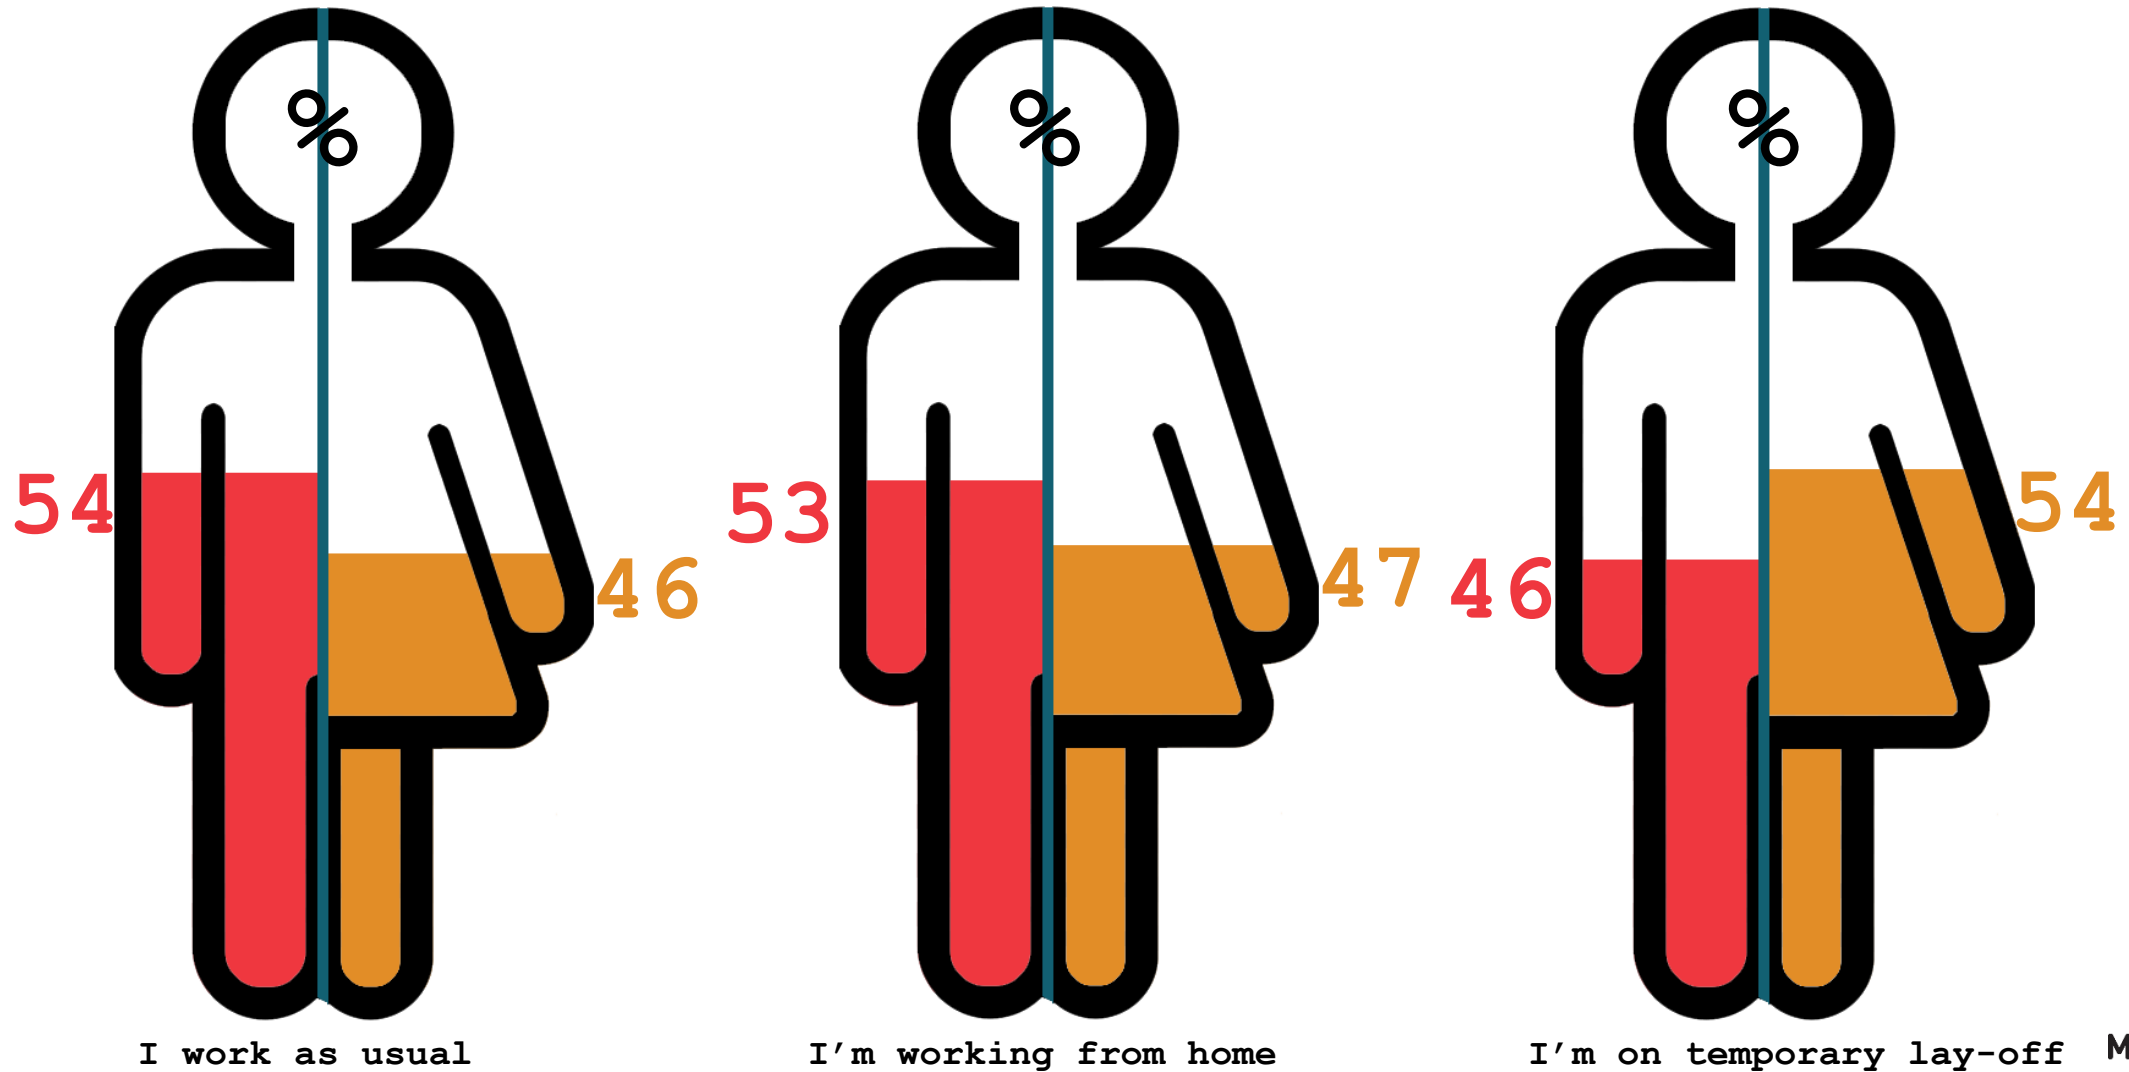

WORK RESPONSIBILITIES

- How do you perform your work responsibilities in the times of special precautions?

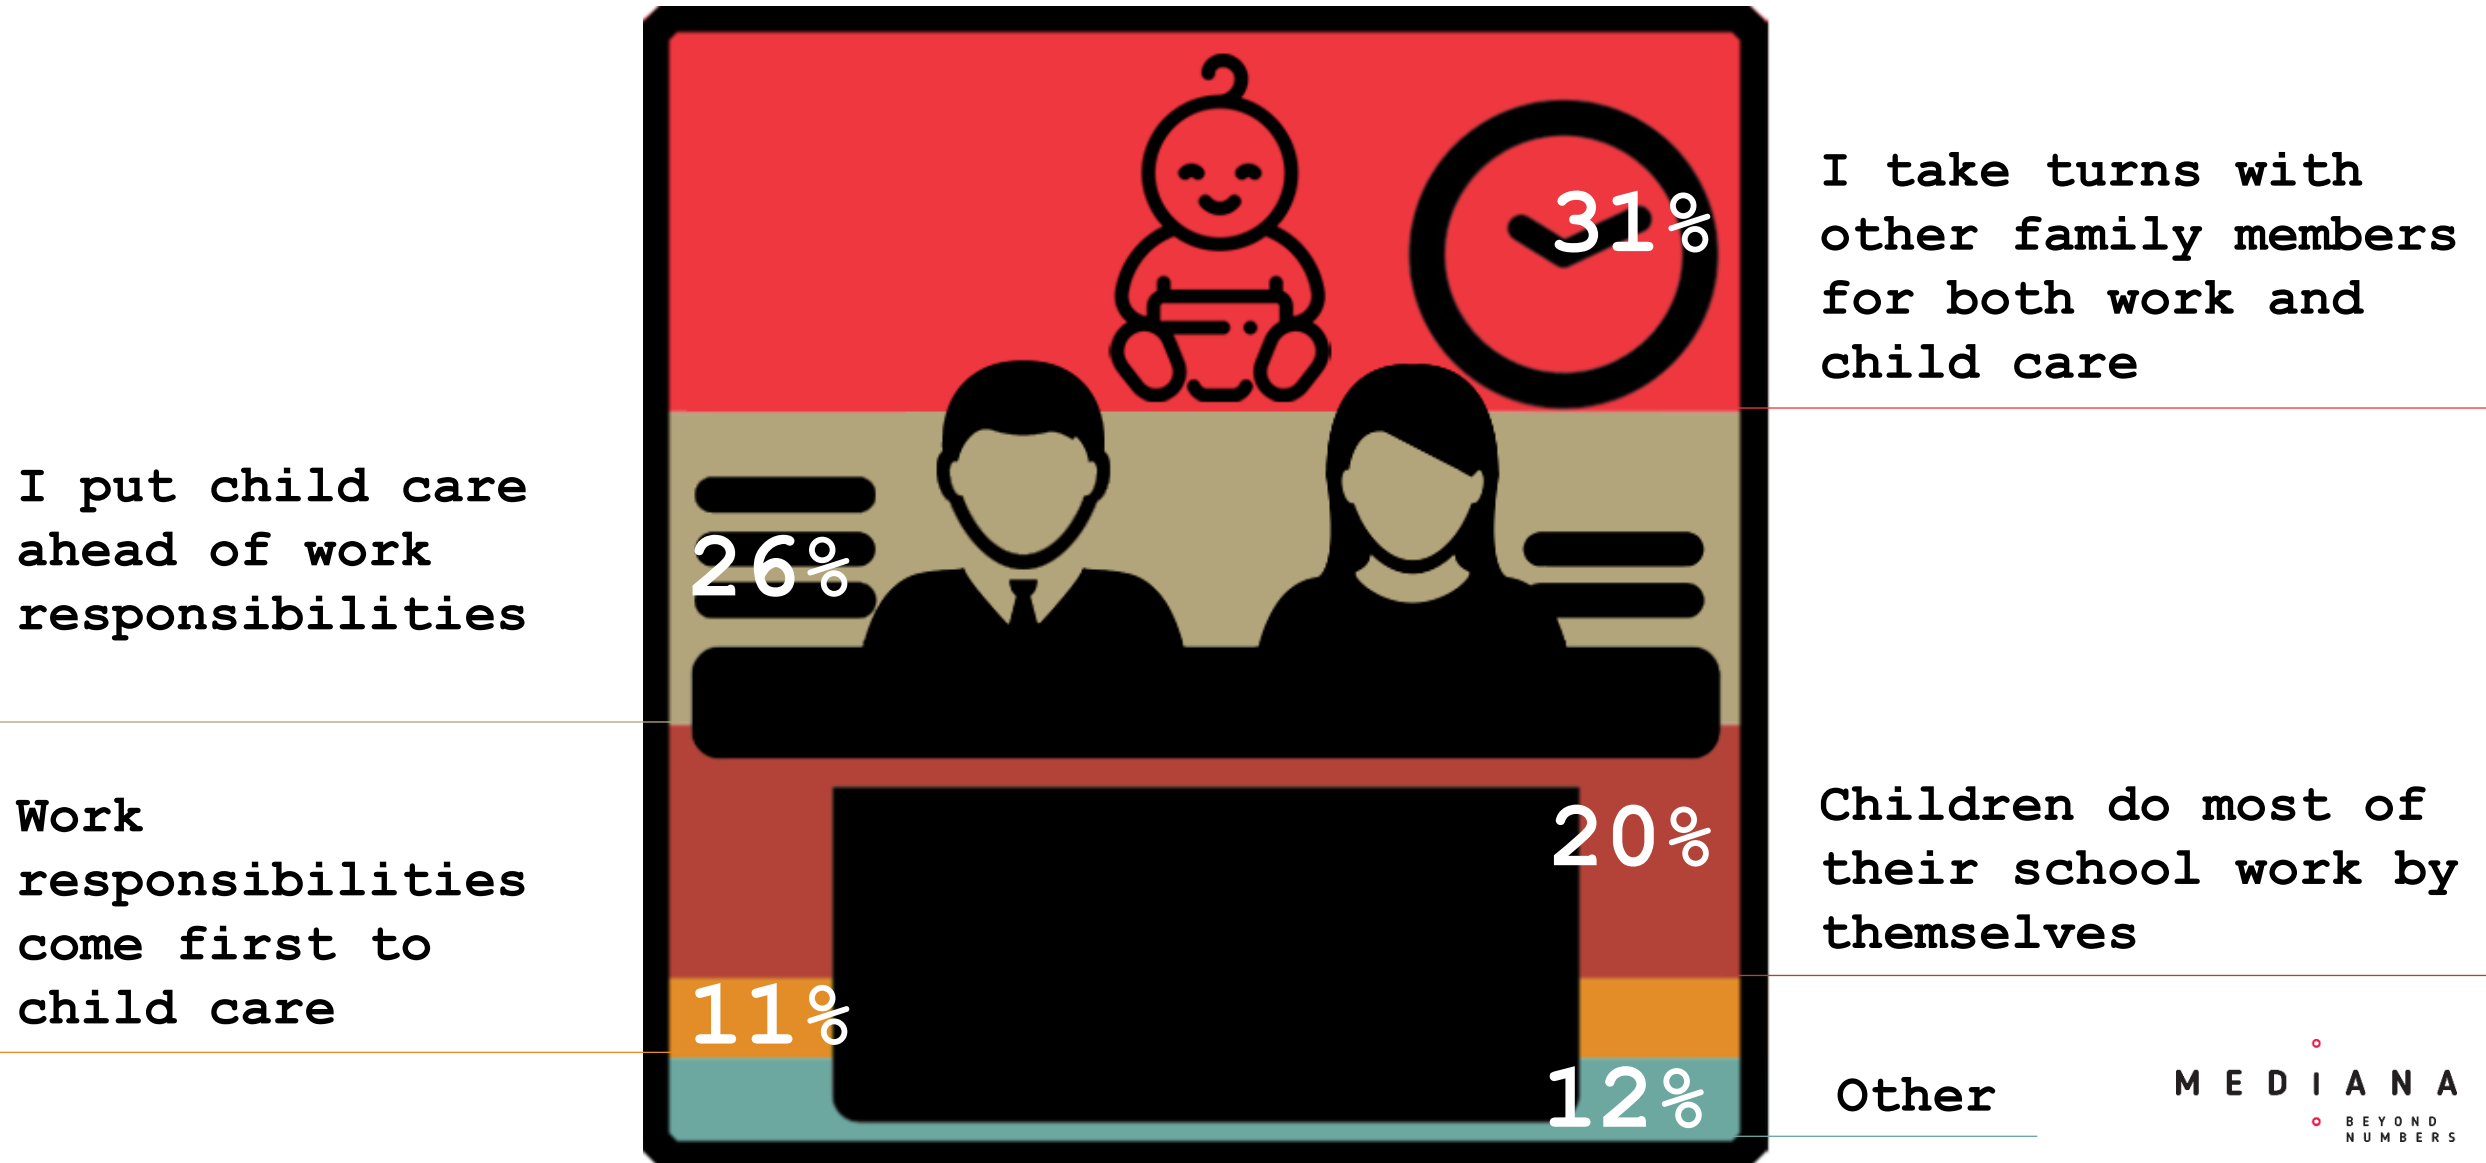

WORK RESPONSIBILITIES

- How do you perform your work responsibilities in the time of special precautions?
By gender.

FLEXIBILITY OF WORKING FROM HOME

- How do you coordinate between work responsibilities and taking care of your children and/or their education?

I put child care ahead of work responsibilities

Work responsibilities come first to child care

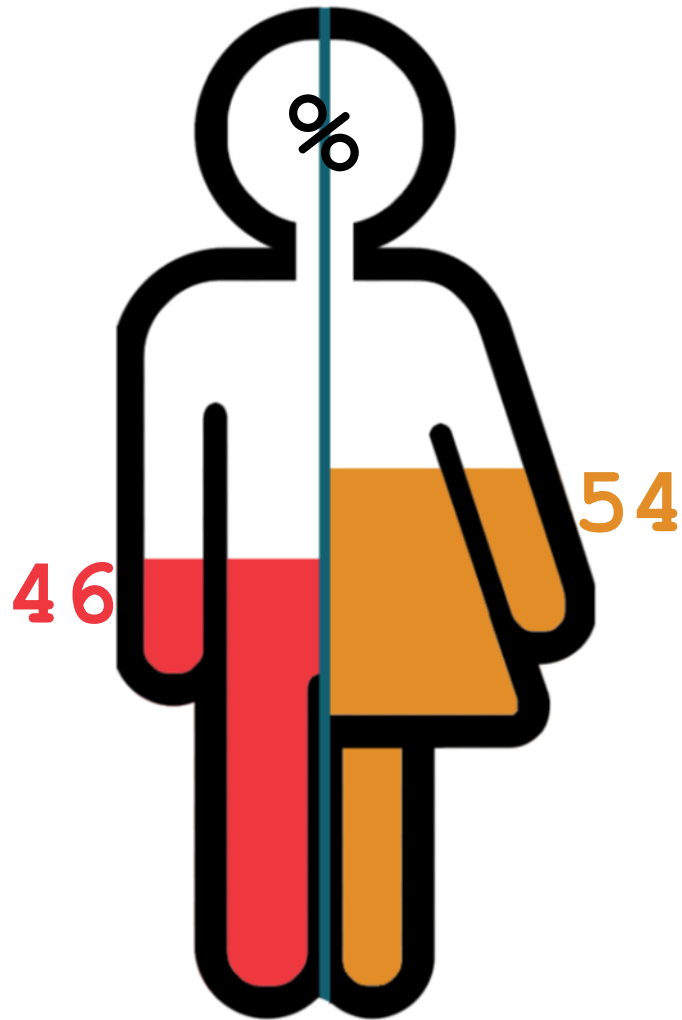

I take turns with other family members for both work and child care

Children do most of their school work by themselves

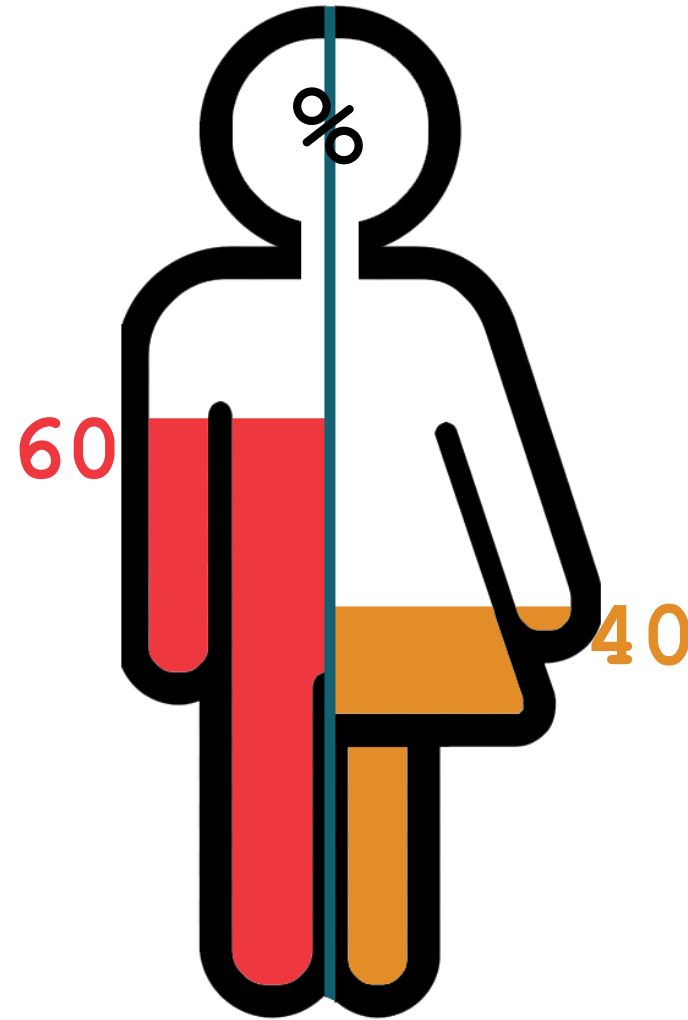

Other

FLEXIBILITY OF WORKING FROM HOME

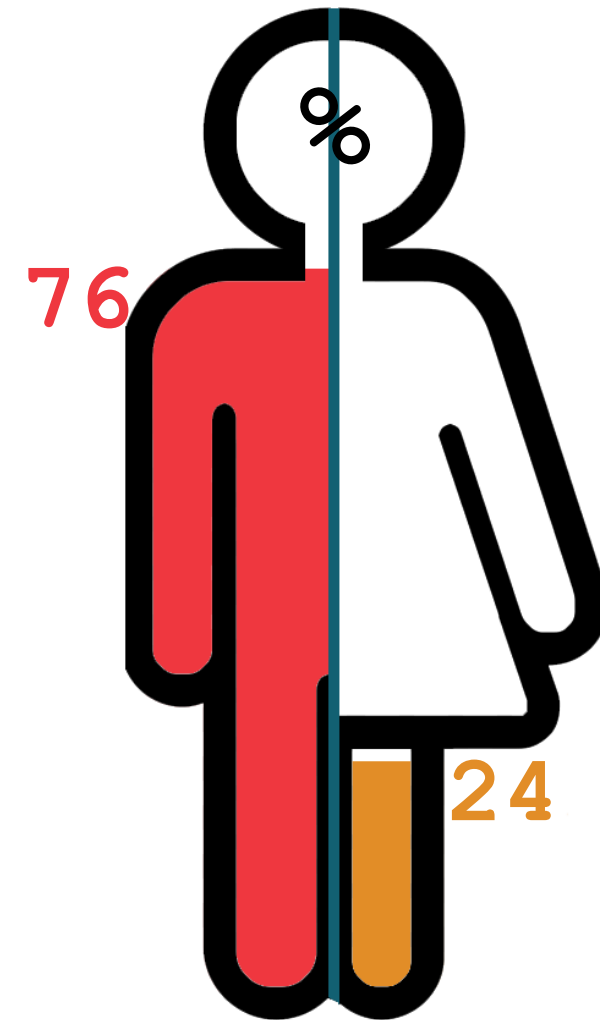

- How do you coordinate between work responsibilities and taking care of your children and/or their education?
By gender.

Child care comes before work responsibilities

Work responsibilities come before child care

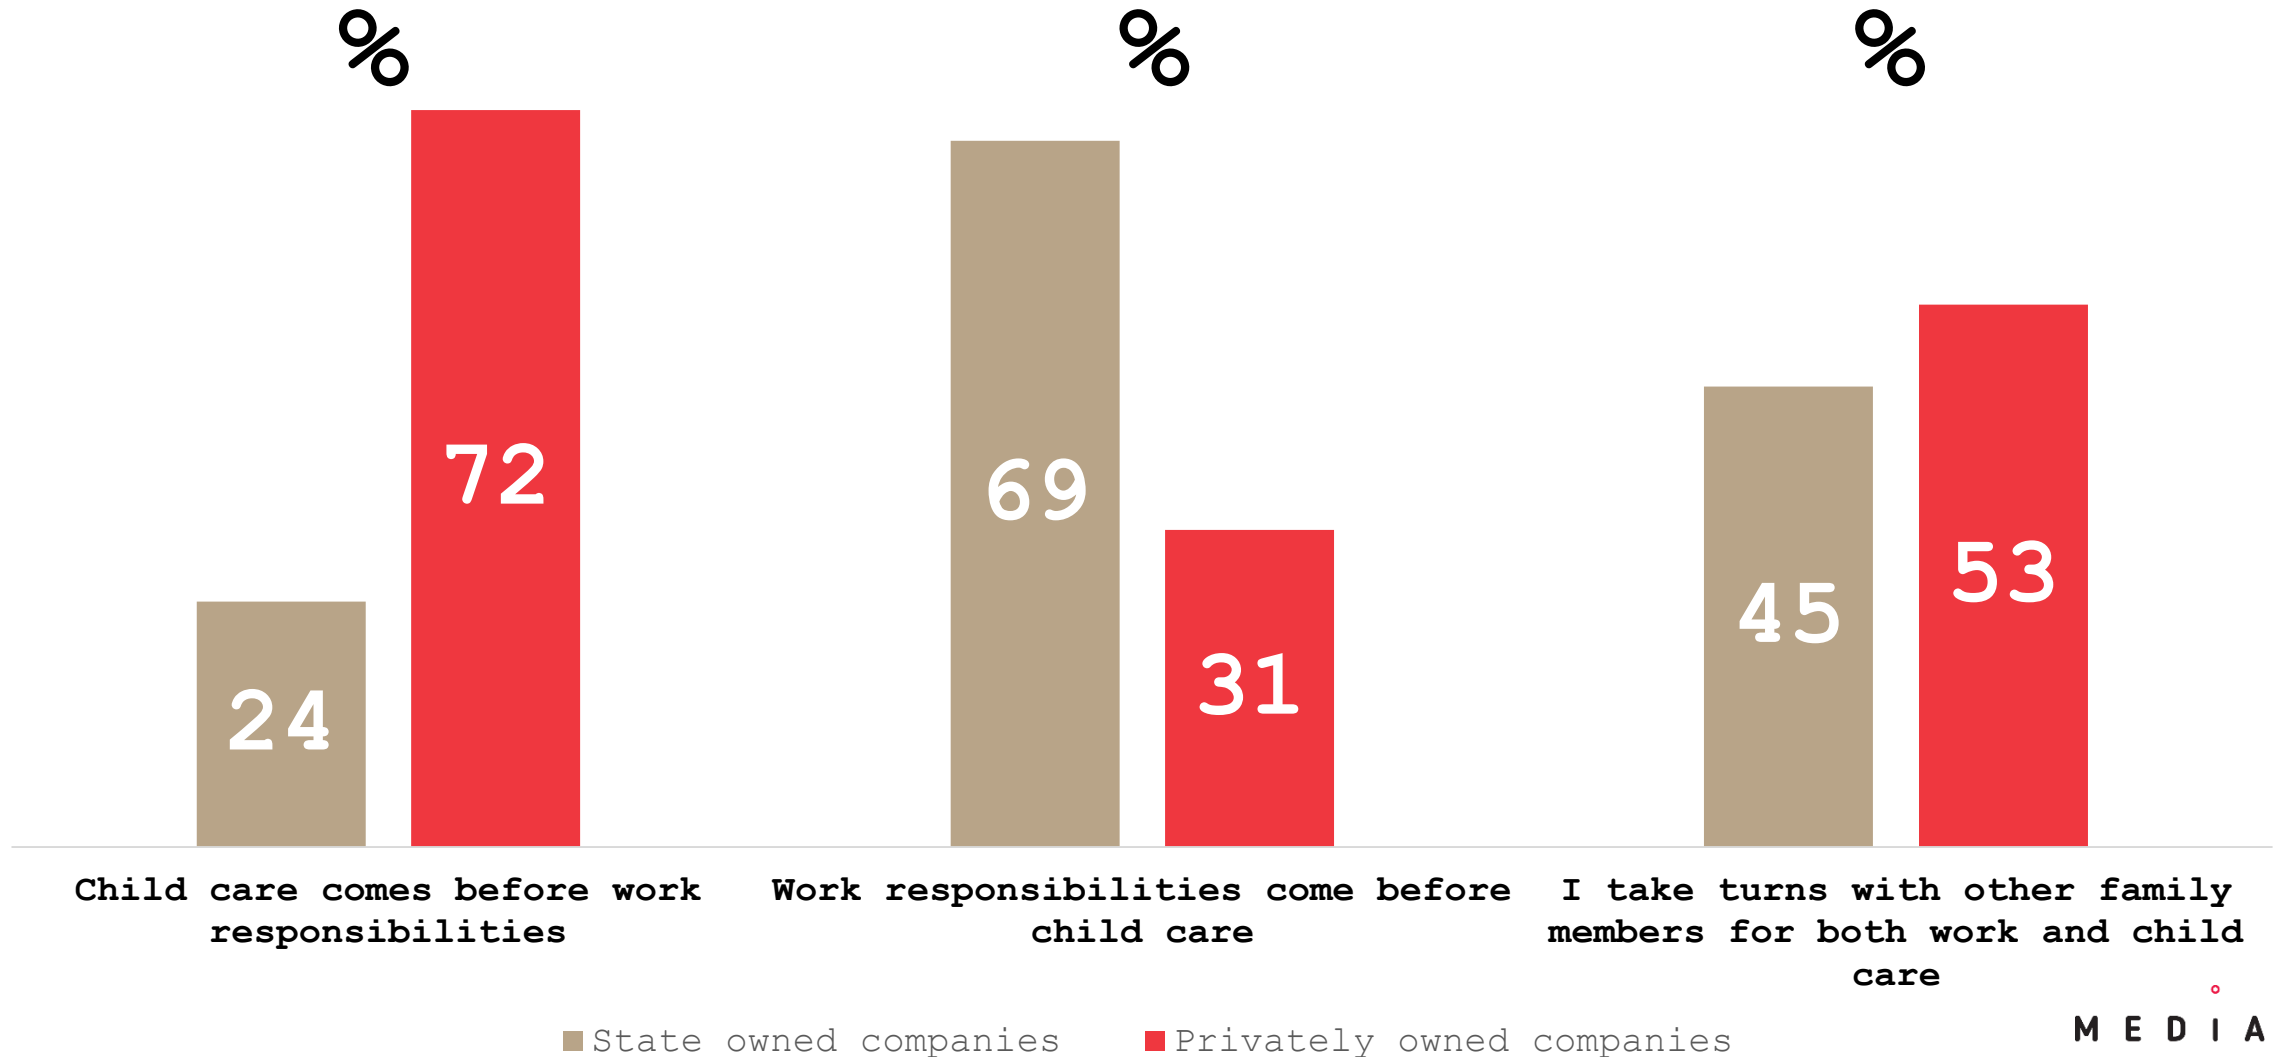

I take turns with other family members for both work and child care

BEYOND NUMBERS

FLEXIBILITY OF WORKING FROM HOME

- How do you coordinate between work responsibilities and taking care of your children and/or their education?
Share by company ownership status. Answers "don't know, no answer" and "other" are not shown in the chart

FLEXIBILITY OF WORKING FROM HOME

ABOUT THE RESEARCH

Aim of research:

- Tracking of behavior during COVID-19 crisis

Research method:

- CAWI (Computer Asisted Web Interviewing) with Mediana online panel

Time frame:

- 24th - 25th of March 2020

Sample size:

- N=602

Sample parameters:

- General population of Slovenia, 18+
- Sample representative for Slovenia by gender, age and region
